# How to disable the Compare products functionality

**Edit**
**app/code/core/Mag**
**e/Catalog/Helper/Product/Compare.php and change the following code:**

```
public function getAddUrl($product)
{
return $this->_getUrl('catalog/product_compare/add', $this->_getUrlPar
ams($product));
}
```

**to**

```
public function getAddUrl($product)
{
//return $this->_getUrl('catalog/product_compare/add', $this->_getUrlP
arams($product)); return false;
}
```

**Edit ./app/design/frontend/base/default/layout/catalog.xml**
**(if you are using a different Magento theme, enter its name instead of default) and change the following code:**

```
<block
name="catalog.compare.sidebar"
template="catalog/product/compare/sidebar.phtml"/>
```

**to**

URL: http://wiki.adnetgroup.com/content/0/39/en/how-to-disable-the-compare-products-functionality.html

```
<!-- <block
before="cart_sidebar" name="catalog.compare.sidebar"
template="catalog/product/compare/sidebar.phtml"/> -->
```

**Flush the Magento cache from your Magento admin area > System > Cache Management.**
